

IF THIS HAPPENED TO
YOU, AND NO ONE WAS
AROUND, HOW LONG
BEFORE YOU COULD
GET HELP?

FreedomSOS LLC can give you the freedom to have the help you need 24 hours a day, no matter where you are. The GPS medical unit allows you to live an active lifestyle without the worry of not being able to get emergency help when needed.

With one press of the SOS button you are in immediate two-way voice communication with our monitoring station who has the ability to track your location and notify emergency personnel.
