- **4. BILLING/LATE CHARGES/ FAILED PAYMENTS:** In the event any Late Charges or Failed Payment Charges are held to be in excess of the highest lawful amount, such charges shall be reduced to the highest lawful amount, and any excess charges will be promptly refunded or credited to Customer's account. Autopay and credit card payment Customers will not receive a billing statement.
- 5. COMPANY IS NOT AN INSURER AND LIMITATION OF LIABILITY: CUSTOMER ACKNOWLEDGES AND AGREES THAT NEITHER COMPANY NOR ITS CONTRACTOR IS AN INSURER; THAT CUSTOMER ASSUMES ALL RISK OF PERSONAL INJURY AND LOSS OR DAMAGE TO CUSTOMER'S PREMISES OR TO THE CONTENTS THEREOF. Customer further acknowledges and agrees that if any insurance is desired, Customer must obtain it. In addition to the Company's other rights at law or under this Agreement, the Customer specifically releases the Company and its contractor from any liability for any event or condition covered by the Customer's insurance. CUSTOMER UNDERSTANDS AND AGREES THAT IF COMPANY OR ITS CONTRACTOR SHOULD BE FOUND LIABLE FOR LOSS OR DAMAGE DUE TO COMPANY'S OR ITS CONTRACTOR'S NEGLIGENCE, FAILURE TO PERFORM ANY OF THE OBLIGATIONS HEREIN, OR FAILURE OF THE MONITORING SERVICE OR THE EQUIPMENT IN ANY RESPECT WHATSOEVER, COMPANY'S AND ITS CONTRACTOR'S LIABILITY SHALL BE LIMITED TO THE SUM OF ONE THOUSAND DOLLARS (\$1,000) AND THIS LIABILITY SHALL BE COMPANY'S OR ITS CONTRACTOR'S SOLE AND EXCLUSIVE LIABILITY. In addition, Customer understands and agrees any home automation or interactive services provided by Company or its Contractor are also subject to this \$1,000 limit of liability, and Company shall not be responsible if such systems or services fail for any reason. If Customer wishes Company or its contractor to assume a greater liability, Customer may obtain from Company a higher limitation of liability by paying an additional periodic service charge to Company. If Customer elects to exercise this option, a rider shall be attached to this Agreement setting forth the terms, conditions and the amount of the liability and the additional periodic charge. Such rider and additional obligation shall in no way be interpreted to hold Company or its contractor as an insurer.
- 6. CUSTOMER'S DUTIES: Customer shall maintain the System in good operating condition. CUSTOMER IS RESPONSIBLE FOR TESTING THE SYSTEM MONTHLY AND ANYTIME THERE IS A CHANGE TO ANY ASPECT OF THE TRANSMISSION SYSTEM (SEE SECTION 9). CUSTOMER AGREES TO PROVIDE COMPANY AND ITS CONTRACTOR WITH WRITTEN NOTICE OF ANY CHANGES, REVISIONS, OR MODIFICATIONS TO THE TRANSMISSION SYSTEM AND FURTHER AGREES TO PROVIDE AND MAINTAIN CURRENT AND CORRECT SUBSCRIBER AND EMERGENCY CONTACT INFORMATION WITH COMPANY AND ITS CONTRACTOR. THE CUSTOMER MUST ALSO NOTIFY COMPANY OR ITS CONTRACTOR PROMPTLY IF CUSTOMER BELIEVES THERE IS A PROBLEM WITH THE TRANSMISSION SYSTEM. Local authorities may not respond to alarm notifications until all permits or licenses for use of the alarm system have been obtained. CUSTOMER'S DUTIES UNDER THIS SECTION ARE IMPORTANT TO ENSURE THAT THE TRANSMISSION SYSTEM FUNCTIONS PROPERLY. IF CUSTOMER FAILS TO PERFORM SUCH DUTIES, COMPANY AND ITS CONTRACTOR WILL NOT BE LIABLE FOR DAMAGES OR SUBJECT TO A PENALTY AS A RESULT.
- 7. FAMILIARIZATION PERIOD: CUSTOMER UNDERSTANDS THAT CUSTOMER'S PREMISES MAY BE LOCATED IN A JURISDICTION WHICH REQUIRES BY LAW A FAMILIARIZATION PERIOD FOR A CERTAIN NUMBER OF DAYS. CUSTOMER UNDERSTANDS THAT, DURING SUCH PERIOD, COMPANY HAS NO OBLIGATION TO NOTIFY ANY AUTHORITIES OF ANY INTRUSION ALARM SIGNAL THE COMPANY RECEIVES FROM CUSTOMER'S PREMISES, EVEN IF DUE TO AN ACTUAL EMERGENCY EVENT.
- 8. DEFAULT, DISCONNECTION AND REMEDIES: Customer will be in default and breach of this agreement if Customer 1) fails to pay any fees or charges when due and such failure continues for ten (10) days after issuance of written notice by Company; 2) generates, in Company's sole judgment, excessive false alarms; or 3) fails to perform other obligations set forth in this Agreement. In the event of a default, the Company may, by notice to Customer, terminate Customer's monitoring services. COMPANY'S RESPONSIBILITIES AND LIABILITIES UNDER THIS AGREEMENT SHALL ALSO IMMEDIATELY CEASE, AND COMPANY AND ITS CONTRACTOR WILL NOT BE RESPONSIBLE FOR ANY WARRANTIES OR SERVICES PROVIDED UNDER THIS AGREEMENT. Customer will remain responsible for all charges incurred prior to the effective date of the service termination. If Customer breaches this Agreement during its Initial Term or any Renewal Term, Customer acknowledges that it will cause substantial damage to Company, and because it would be difficult if not impossible to determine the amount of such damage, Customer will also pay as liquidated damages and not as a penalty either an amount equal to eighty (80%) percent of the remaining payments owed during the Initial or any Renewal Term or all sums the Company may be entitled to under state law and, in either case, any related levies, court costs, collection costs, and attorney fees. All amounts are due immediately without presentment, demand, protest or further notice, all of which Customer expressly waives.
- 9. TRANSMISSION SYSTEM: Customer's System communicates with the Company's monitoring facility utilizing one or more networks telephone, cable, Internet, cellular, or radio. It may also utilize equipment in Customer's home telephone or cable equipment, modem, router, power supply. Together, the System, the network and other equipment represent the "Transmission System". This Transmission System is beyond the control of Company and Company takes no responsibility for its reliability or its continued compatibility with this intended usage. Each network and the related in-home equipment has its own inherent risks and reliability levels and the Customer should consider their own needs and requirements before choosing a Transmission System. IN ORDER FOR THE SYSTEM TO TRANSMIT SIGNALS OVER THE INTERNET, IT MUST HAVE UNINTERRUPTED ACCESS TO AN ALWAYS-ON HIGH-SPEED INTERNET CONNECTION. If a signal from Customer's System does not reach Company's monitoring facility for any reason, Company will not be able to respond. Communication issues might include, but are not limited to, network outages, severed lines, lack of power to key components, signal jamming, obsolescence or failure of components, and/or changes in laws or regulations. Company is not responsible for notifying Customer of such communication issues. The Customer should test the System on a regular monthly basis and any time there is a change to any aspect of the Transmission System (See Section 6). The Customer should immediately notify the Company of any changes to the Transmission System (including use of DSL, VoIP or other broadband services as these may interfere with or prevent signal transmission) or any communication issues identified by Customer during testing. IF THE TRANSMISSION SYSTEM USES A TELEPHONE LINE AND THAT LINE IS DISCONNECTED, THE ALARM TRANSMISSION WILL FAIL. If Customer has chosen a means of communication that causes the System to seize control of a communication network in order to communicate with the monitoring facility, Customer
- 10. INTERRUPTION OF SERVICE: Neither Company nor its contractor assumes any liability for interruption of monitoring service due to strikes, riots, floods, storms, earthquakes, fires, power failures, interruption or unavailability of communication network service, acts of God, or for any other cause beyond the control of Company or its contractor. In case of such an event, Company may suspend the monitoring service and/ or this Agreement without liability and without notification to Customer. Company or its contractor may suspend or cancel this Agreement without notice, liability, or penalty should the System, Customer's Premises or Company's or its contractor's monitoring facilities become so substantially damaged that further service is impractical. Customer will remain responsible to pay for services provided. Neither Company nor its contractor shall have any liability for delay in installation or maintenance of the equipment.
- 11. THIRD PARTY INDEMNIFICATION: Customer agrees to and shall indemnify, defend, and hold harmless Company and its officers, directors, employees, agents, contractors and any person or entity for whom the Company is legally responsible, from and against any and all claims arising from this Agreement brought by parties other than the parties to this Agreement.

- 12. SUBROGATION: Unless prohibited by Customer's insurance policy, Customer hereby discharges and agrees to hold Company harmless from any and all claims, liabilities, damages, losses or expenses, arising from or caused by any hazard covered by insurance in or on the Customer's Premises whether said claims are made by Customer, his agents, insurance carrier, or other parties claiming under or through Customer. Customer agrees to indemnify, defend and hold harmless Company and its contractor from any action for subrogation that may be brought against Company or its contractor by any insurer or insurance carrier, or its agents or assigns, including the payment of all damages, expenses, costs and attorney's fees. Customer shall notify their insurance carrier of the terms of this provision.
- **13. LIMITATION ON ACTIONS:** To the extent permitted by law both parties hereby agreethat no suit or action that relates in any way to this Agreement (whether based uponcontract, negligence or otherwise) shall be brought against the other party more than one (1) year after the accrual of the cause of action
- 14. BINDING ARBITRATION: THE PARTIES AGREE TO RESOLVE THROUGH BINDING ARBITRATION ALL CLAIMS, DISPUTES, OR LAWSUITS (COLLECTIVELY "CLAIMS"), REGARDLESS OF THEIR NATURE, ARISING OUT OF OR RELATED TO THIS AGREEMENT OR ANY OTHER BUSINESS RELATIONSHIP BETWEEN THE PARTIES. The parties agree that arbitration shall be conducted in accordance with the commercial rules of the Federal Arbitration Act (FAA). Arbitration or any related litigation will take place in Dallas, Texas, unless both parties agree to a different location. The arbitration shall be conducted by an attorney who is knowledgeable about the security industry. The arbitrator is not authorized to grant punitive damages. Customer and Company agree that each may bring claims against the other only in Customer or Company's individual capacity, and not as a Plaintiff or class member in any purported class or representative proceeding. Further, unless both Customer and Company agree otherwise, the arbitrator may not consolidate more than one person's claims, and may not preside over any form of a representative or class proceeding of which these claims will be a part. All direct and indirect costs for arbitration will be paid by the non-prevailing party or split in an equitable manner by the arbitrator. The arbitration proceedings, including decisions and awards, shall be held in confidence by both parties. The parties acknowledge that by executing this Agreement, they are waiving all rights to a jury or bench trial for all claims between the parties.
- **15. FALSE ALARMS:** Customer understands that local authorities may impose fines for false alarms or signals, and Customer agrees to be responsible for these fines and any related costs whether they are levied directly on Customer or on the Company, its contractors, or subcontractors.
- **16. EXTENDED SERVICE OPTION:** If Customer requests repair service (other than service pursuant to an original installation warranty), Company or its contractor may agree to provide such repair service during its regular business hours of 8:00 a.m. to 5:00 p.m. Monday through Friday (excluding holidays) for fifty dollars (\$50) per service trip (or at Company's customary rates outside of the specified hours or days) for as long as Company provides Customer's monitoring service and Customer is current on all payments. Customer is responsible for repairs to or replacements of batteries; key fobs; alarm screens; cellular equipment; cameras; video equipment; and home automation or interactive notification services, equipment, hardware or software. Customer is also responsible for damage caused by abuse, misuse, faulty connections, tampering, construction, vandalism, theft, acts of God, cosmetic damage or any other cause other than normal wear and tear.
- 17. FIRE PREVENTION DEVICES: Any fire or life safety device (including smoke detectors, carbon monoxide detectors or other auxiliary detectors) must be installed and operated in strict accordance with manufacturer's and/or Company's specifications, tested at least monthly (see section 6) and used in conjunction only with UL certified devices. To the extent fire or life safety devices rely on other devices not connected to the System, Customer must ensure that all devices, whether connected to the System or not, are powered by an always-on power source or live battery. Customer agrees that if power is cut-off, the battery is low or dead, or a fire event cuts off the electricity or results in a loss of power that the fire or life safety devices will not operate, the alarm will not sound and no signals will be transmitted to Company. Customer also must verify on a regular basis that all fire or life safety devices can properly transmit signals via the Transmission System (see Sections 6 and 9). Lastly, Customer agrees that the number and location of any fire or life safety devices can be governed by requirements or recommendations in national, state, and local laws, codes, and standards, and that any such fire or life safety devices may not fulfill such requirements or recommendations for number or location, and it is Customer's sole responsibility to comply with applicable laws, codes and standards relating to installation, placement, or maintenance of any such fire or life safety devices.
- **18. ASSIGNMENT:** This Agreement may not be assigned in whole or in part by Customer. Company may assign or subcontract all or any portion of this Agreement without notice to Customer and any such assignee or subcontractor shall be entietld to the rights, benefits, privileges and protection afforded to Company under the terms of this Agreement.
- **19. ACKNOWLEDGMENT:** In compliance with the Fair Credit Reporting Act (FCRA), Customer is authorizing Company now and at any time during the term of this Agreement to obtain a consumer credit report. Customer should refer to the FCRA for further explanations of Customer's rights.
- **20. ENTIRE AGREEMENT:** This Agreement is intended by the parties as a final expression of their agreement and as a complete and exclusive statement of the terms thereof. Company's or its contractor's duty and obligation to provide monitoring service to Customer arise solely from this Agreement. This Agreement supersedes all prior representations, understandings, or agreements of the parties. This Agreement can only be modified (a) in writing, signed by the parties or their duly authorized agents or (b) by written notice sent by Company to Customer, provided that Customer does not object in writing within thirty (30) days after receiving the notice. No waiver or breach of any term or condition of this Agreement shall be construed to be a waiver of any succeeding breach. Customer agrees that Company may convert this Agreement to electronic media, which may serve as the exclusive original.
- **21. PRIVACY:** Company will use commercially reasonable efforts to maintain the privacy of Customer's information. Customer understands that Company cannot guarantee privacy and agrees not to hold the Company liable for any claims, loss, damages, or costs that may result from loss of privacy. Customer consents to Company contacting him/her about new products and services. Customer consents to the recording of all communications between the Customer and the Company.
